

DIMA KONONENKO

DESIGNER / FRONT-END DEVELOPER

PROFILE

Hi, my name is Dima. Originally I'm from Kyiv, Ukraine. In 2016 I moved to Los Angeles to study Computer Science. I'm passionate about web technologies and how powerfull they grow up. This interest to front-end came from my background as graphic designer. For my ideal workflow it was very important to got skills and full understanding from both design and development sides. A lot of my professional attention is in the UI animation.

EXPERIENCE

2018 – Present
Videographer // Cinestory films / Ever2Films

One of the interests I picked up after moved to Los Angeles is video making. Contibution as part-time wedding videographer.

2016 – Present
Freelancing as Creative Developer

During this period main work was on Illustrations, logos and web sites via Wix, Squarespace.

2014 - 2015
Graphic Designer // SnarkTeam (Kyiv, Ukraine)

This was my first work experince in the team of 10 people after freelancing as graphic design student on my own. While working in this company I was responsible for web design, as well as for prototyping, branding materials, banners, etc ...
